A/N: This is the extended version of this songfic. I hadn't originally intended on writing more, but it bothered me that I didn't use the whole song (as it bothers me that I didn't use all of "What Have I Got To Lose" for Listen To My Heart, so eventually I may extend that oneâ€¦ must be something going on with my Hermione/Draco fics), so when my art class turned into a study hall, this is what resulted. I'm quite happy with it, because this was the first time I was able to get both sides in the story. So reviewâ€¦ and be nice! ("Secret Smile" is by Semisonic for those of you that don't know.)

Secret Smile

Hermione practically danced along the worn paths in Hogsmeade. She was so happy because she was going to see Draco again, as they had established a rendezvous for that day.

_ Nobody knows it but you've got a secret smile_

_ And you use it only for me_

She was really in love. She was the only person who could see that something in him that made her actually like him.

Nobody knows it but you've got a secret smile

_ And you use it only for me_

She wished that everyone could know what a great guy he could be. He was so sweet to her, and he didn't show the side that everyone knew of him. She loved the way he held her close in his arms and then kissed her on the cheek. In fact, she liked any time he kissed her.

So use it and prove it

_ Remove this whirling sadness_

It kind of made her sad that no one else knew the caring side of Draco. If they did, they surely wouldn't hold him in contempt the way they did. In addition to that, she wouldn't have to sneak around to see him, because no one would really object to it.

I'm losing, I'm bluesing

_ But you can save me from madness_

It was really hard on her to keep their relationship a secret. She was so happy to be with him that she wanted to proclaim her love for him to the whole world. But she couldn't.

_ Nobody knows it but you've got a secret smile_

_ And you use it only for me_

Just at the edge of the town, there he was, waiting for her, smiling.

Nobody knows it but you've got a secret smile

And you use it only for me

She ran up to him and wrapped her arms around him in an affectionate hug.

So save me I'm waiting

I'm needing, hear me pleading

He stroked her hair, glad to be with her. He had missed her since they couldn't be together much. He hadn't realized how much he missed her until that moment.

_ And soothe me, improve me_

_ I'm grieving, I'm barely believing, now_

Draco wasn't quite sure whether he was in reality or a dream. To him, Hermione was a dream. She was perfect.

_ When you are flying around and around the world_

_ And I'm lying alonely_

It was worth it. Since he didn't get to see her much around school, he always looked forward to the Hogsmeade weekends.

_ _

_ I know there's something sacred and free reserved_

_ And received by me only_

His anticipation for those weekends was what kept him going. He knew that when they came, he would hurry to the secret meeting place that was secluded from everyone and everything.

_ Nobody knows it but you've got a secret smile_

_ And you use it only for me_

On those weekends, he knew he'd be greeted by her charming smile, complete with her buckteeth. He actually thought that they were cute on her. Everything about her was cute. Gorgeous. Wonderful. Beautiful. Amazing.

_ Nobody knows it_

_ Nobody knows it_

_ But you've got a secret_

The two were tangled in each other's arms. Nothing mattered except the here and now. That's all that would ever matter to them.

_ Nobody knows it_

_ Nobody knows it_

_ Nobody knows it_

_ But you've got a secret_

One day they would show their love to the world. One dayâ€¦
